

Sunday, July 18, 2010																	
	Room 118	Room 119	Room 120	Room 121	Room 122	Room 123	Room 124	Room 125	Room 127	Room 128	Room 129	Room 130	Room 131	Room 132	Room 133	Room 134	Room 117
07:30AM 05:00PM	Registration Desk: Hall																
08:30AM 10:30AM												W6 Workshop on Research Funding for Data Infrastructure and Computational Methods	W4 Systems to Build Systems	W1 Evolving Computationally Intelligent Systems	W3 Computational Intelligence for Security and Defence Applications (CISDA)		
	Coffe Break																
10:45AM 12:45AM																	
	Break																
02:30PM 04:30PM													W2 Emergent Application of Computational Intelligence in Computer Go	W5 Computational Intelligence in Computer Vision	W7 Knowledge Based Medicine - a computational Intelligence foundation		
	Coffe Break																
04:50PM 06:30PM																	
07:30PM	Welcome Reception
